

MLPA North Coast Study Region

North Coast Special Closures Recommendation

Page 1 of 2

California Marine Life Protection Act (MLPA) Initiative

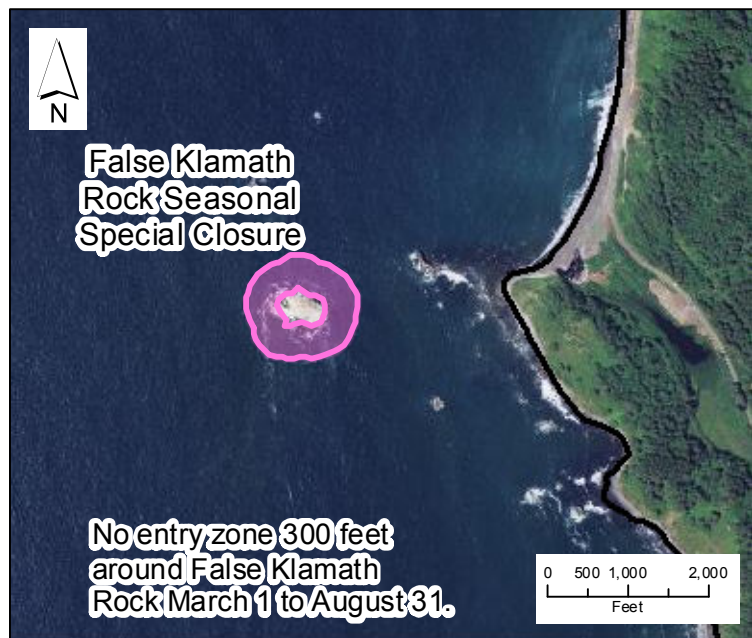

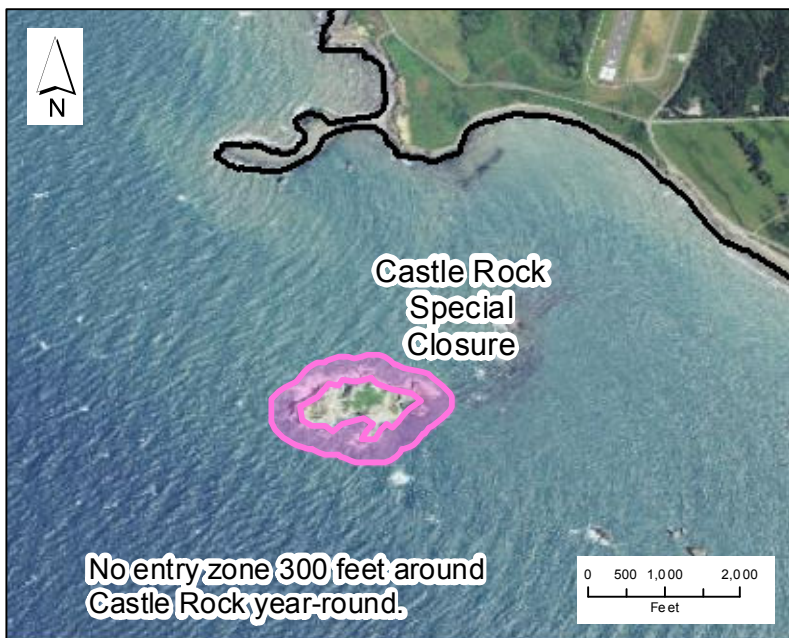

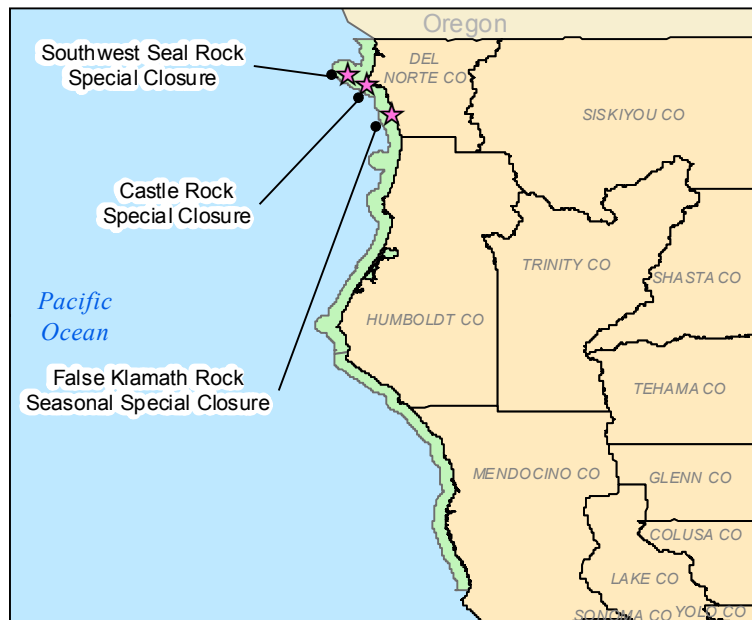

- Proposed Special Closure
- North Coast Study Region Boundary

Disclaimer:

This map represents the special closures recommendation developed by the MLPA North Coast Regional Stakeholder Group (NCRSG) and included in a motion adopted by the MLPA Blue Ribbon Task Force on October 26, 2010 to be forwarded to the California Fish and Game Commission. Special closures displayed on this map were developed by the NCRSG separately from the Revised Round 3 NCRSG Marine Protected Area (MPA) Proposal. The recommended special closures are intended to link to the Revised Round 3 NCRSG MPA Proposal and the North Coast Enhanced Compliance Alternative MPA Proposal, but are separate from those proposals.
